POCKET CHANGE FOR CAMPERS

We recommend depositing @ \$100 - \$125 cash in the Camper Bank to be used during the summer. At the end of camp, campers will be able to withdraw any unused money. Please include this money as a separate check to Wolf Creek Camp. It's best for your camper to have about \$20 spending money upon arrival at camp.

DAY CAMPERS

Bring a day pack to be left at camp: include bathing suit and towel; sunscreen, lip balm, water bottle; clothes, shoes (no flip flops); poncho

Make sure everything is marked with camper's name. No knives, fireworks, spears, machine guns, dynamite, porno magazines, t-shirts with offensive logos, chewing tobacco, etc. etc. etc.
